APPLICATION FOR A DISTRIBUTOR OR MANUFACTURER LICENSE:

This license allows your distributing or manufacturing company to engage in the business of selling or distributing new motor vehicles, trailers, or motorcycles to licensed dealers in the state of Nebraska.

NEBRASKA FACTORY BRANCH LICENSE:

This allows any licensed Manufacturer or Distributor to license a Branch Office maintained in this state. Defined under 60-1401.02 of the Nebraska Motor Vehicle Industry Licensing statutes.

REPRESENTATIVES:

An application for a Motor Vehicle/Trailer Manufacturer or Distributor Representative License is to be completed if any person in your employ is traveling within the state of Nebraska and contacting dealers and prospective dealers. You may make copies of this form if you wish to license additional representatives. The fee is \$10.00 for each licensed representative.

All Distributor, Manufacturer, Factory Branch, and Representative licenses expire December 31st of each year; the application for renewal is sent out prior to the new year.

ENFRANCHISED DEALERS:

With your license application, please include a list of Nebraska dealers who will be enfranchised to sell your product. A copy of the franchise agreement or a letter of authorization must be on file with this office in order for the Nebraska dealer to be listed as enfranchised to sell your product, and thus have the privilege of reassigning MSOs.

There is a link to the Nebraska statutes on our Home Page. The Nebraska Motor Vehicle Industry Licensing statutes are 60-1401.01 through 60-1440.

Please contact this office if you have any questions.
