No fee is collected until after the wrecker/salvage dealership has been inspected and approved by our office.

The Motor Vehicle Wrecker or Salvage Dealer must maintain a bona fide and established place of business that conforms with applicable zoning laws, has office space, posted business hours, a telephone listed with directory assistance in the dealership name, and a permanently erected sign in the dealership name.

Nebraska statutes 60-1401.01 thru 60-1440 and 60-2601 thru 60-2608 can be viewed at www.nebraska.gov .

- The name of the wrecker/salvage dealership must reflect the nature of the business for which the license will be granted (auto parts, auto salvage, etc.) Please call or contact our office if you have any questions about the suitability of the dealership name.

Below are examples of issuance of the wrecker or salvage dealer license to reflect ownership and the dealership name.

- If applying as an individual owner: John Doe dba John D’s Auto Salvage
- If applying as a partnership: John and Mary Doe dba Doe’s Auto Salvage
- If applying as a corporation or LLC in which the name already reflects ‘auto parts’ or ‘auto salvage’: John Doe Auto Parts, Inc.
- If applying as a corporation or LLC in which a dba (doing business as) is required: John Doe Enterprises LLC dba John’s Auto Parts.

Dealerships run under a corporation or LLC must have the corporation or LLC registered with the Nebraska Secretary of State – Corporations Division. In the last example, “John Doe Enterprises LLC” would be registered with the Nebraska Secretary of State; the dealership sign, telephone listing, and any advertising would be in the dealership name, “John’s Auto Parts.”

- The telephone number for the dealership must be in the dealership name and listed with Directory Assistance. Mobile and cellular telephones are not acceptable.

Submit the completed wrecker/salvage dealer license application and supporting documents to our office. It will be forwarded to one of our investigators who will contact the applicant to schedule an appointment to inspect the dealership. Upon approval, return to our office the application and supporting documents, the Inspection Report, and the fee in the proper amount made payable to the Nebraska Motor Vehicle Industry Licensing Board. No currency please.
